2018. 8.17.02	AB705 is imposing need to add extra sections for specific courses (example: Math1A, Stats etc.)	Team	The whole department agrees that staffing is an issue and it is not feasible to add extra sections for transfer level courses without having enough staff to cover those sections.
2018. 8.17.03	Sequence of Math 1C and Physics 4A	Team	John S. mentioned that department needs to revisit the sequence for Math1C and Physics 4B. Physics instructor shared that students are better prepared for Physics if they take 1C before taking Physics 4B. Department will revisit the course offerings.
2018. 8.17.04	ITV course offerings	Team	Past few semesters ITV courses have shown low enrollments. With online classes being offered, the demand for ITV has reduced. Department decided not to offer ITV courses anymore.
